

Guidelines for Mid term Preparation-COMP-4150

1. Syllabus for Mid Term

Part- A Complete all Chapters as on Blackboard

Part-B -(PL/SQL-Introduction and PL/SQL-Conditional Statements)

2. Pattern for Mid Term

Three Sections in total

- I. Section 1- MCQ's (Scenarios based on transaction processing, scheduling, serializability etc and SQL queries) [approx 20 marks]
- II. Section 2- Short answers (From Ch. 16) [approx 10 marks]
- III. Section 3 - Writing programs using SQL and PL/SQL [approx 20 marks]

IMPORTANT:

****Useful resources for practicing MCQ's [Note: This is SAMPLE ONLY but gives you very good idea and practice for the type of scenarios for transaction scheduling. It is recommended to practice these and refresh your concepts.**
